GDPR

Knock Presbyterian Church is committed to a policy of protecting the rights and privacy of individuals in accordance with the Data Protection Act. The church needs to process certain information about its members and other individuals it has dealings with for administrative purposes. To comply with the law, information about individuals must be collected and used fairly, stored safely and securely and not disclosed to any third party unlawfully.

All staff and leaders are responsible for ensuring that any personal data (on others) which they hold are kept securely and that they are not disclosed to any unauthorised third party.

All personal data should be accessible only to those who need to use it. Your personal data is stored by:

- Original consent forms retained in a lockable room with controlled access,
- Inputted into a computerised data system and password protected.

Consent forms will be retain for a period of 6 years as instructed by Presbyterian Church of Ireland and then destroyed.

We may pass statistical information to our governing body the Presbyterian Church in Ireland. The nature of statistical information will include age profile of the congregation and the number of families within the church.

Members of our uniformed organisations will need to be submit information to their headquarter organisation to maintain their records.

We may also need to disclose your information if required to do so by law.

Members of the youth organisations have the right to access any of their own personal data which are held by the Church in electronic format and manual records which form part of a relevant filing system. This includes the right to inspect confidential personal references received by the Church about that person.

Any individual who wishes to exercise this right should apply in writing to the Administrator. Any such request will normally be complied with within 40 days of receipt of the written request.
